

Talal Nasir, Software Engineer

Rawalpindi, Pakistan, +923405780038, talalmughal47@gmail.com

PROFILE

A creative thinker, adept in software development. I enjoy working closely with design teams to precisely translate their designs right down to the last pixel, bringing the process to life just as they intended them to be, while developing the back-end functionalities at their finest.

EMPLOYMENT HISTORY

Jan 2022 — Jul 2023	Software Engineer, AuraSide, Inc. USA (Remote)
	Gaming oriented and product-based company that develops tools for gamer. Responsibilities included delivering high-quality code, from converting design mock-ups to user interfaces, maintaining database, creating API endpoints, and integration of front-end and back-end.
	Tech Stack: TypeScript, NextJS, NestJS, ElectronJS, Tailwind CSS, PostgreSQL, NGROK.
Sep 2022 — Feb 2023	Full Stack Developer, CodeJunkie Islamabad
	Award winning - service based IT agency that worked on multiple projects from around the globe. My duties here comprised of developing and deploying websites from scratch, contributing to existing systems, and maintaining a mobile application making new features.
	Tech Stack: JavaScript, NextJS, ReactJS, ReactNative, Firebase, GCP, CI/CD, Tailwind CSS.
Mar 2020 — Present	Freelancing
	I have created an abundant of projects from a variety of niches during my freelancing tenure. My work ranges from making AR applications, web-scraping, Image Classification, Data Structures and Algorithms, text from voice recognition, and much more.
	Tech Stack: Unity, Python, Selenium, AR Foundation, C#, C++, NextJS, ReactJS, Firebase.
Jun 2021 — Aug 2021	Back-end Internee, Funavry Technologies Islamabad
	Funavry Technologies offers software development services to global businesses. In my time there, they helped us getting exposure to the IT market and hands-on experience working with some back-end technologies. It was a summers internship during my Bachelors degree.
	Tech Stack: ExpressJS, NodeJS, MySQL.

EDUCATION

Feb 2018 — Jan 2022	Bachelors in Computer Science, COMSATS University Islamabad
